THE
JENKINS NURSERY

Catalogue of Evergreens, Shrubby, Shade Trees, etc.,
for Ornamental Planting

"Hills of Snow" *Hydrangea Arborescens Grandiflora*
Blooming in Our Nursery

J. Jenkins & Son
(Columbiana County)
Winona, Ohio

A MESSAGE TO YOU

The Jenkins nursery was established over sixty years ago by J. Jenkins, the present senior partner, and has been in operation continuously since that time. Until recently we have confined ourselves to growing lining out stock, which we sold at wholesale only. We have lately transplanted a quantity of ornamental shrubbery, evergreens, shade trees, etc., which we now have ready for permanent planting, and will be glad to be of service to you.

We are constantly adding new varieties to our stock, if you do not find what you want listed in this catalogue, write us, we may have it.

We are located five miles south from Salem, Ohio, at end of brick road, and will be glad to show you our stock.

No business transacted on Sunday.

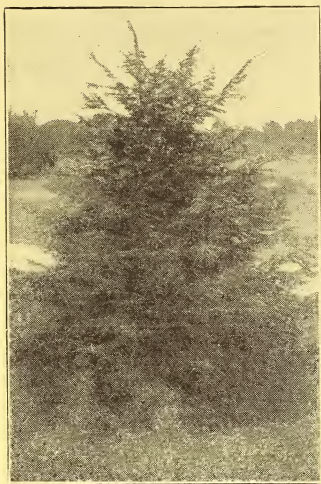

Terms—Cash with order, unless otherwise agreed upon. Orders to be shipped C. O. D. must be accompanied by one-fourth the amount.

Our shipping point is Salem, Ohio, on the P. F. W. & C. division of the Pa. R. R.

We guarantee our stock to be in good condition when delivered to the forwarding company. where our responsibility ceases. If stock should suffer through delay in transit, claim should be made at once on transportation company.

Guarantee—We guarantee our stock to be true to name and of grade specified, we make no other guarantee either express or implied as to quality, productiveness, etc., on account of the many conditions over which nurserymen have no control, such as planting, cultivation, weather, fertility of soil, rainfall, etc., we do not guarantee the life of the stock. Legally our responsibility ceases on delivery to forwarding company.

(Signed)—J. JENKINS & SON.

Hemlock Spruce

Colorado Blue Spruce

The Spruces

Picea excelsa

The most popular and widely planted evergreen. Good for specimens, windbreaks, hedges, Christmas trees, etc.

7 to 8 ft.	7.50	65.00	

NORWAY SPRUCE

Picea pungens

Foliage varies in color from light green to deep blue, makes fine specimens.

18 to 24 in.	\$3.00 each
-------------------	-------------

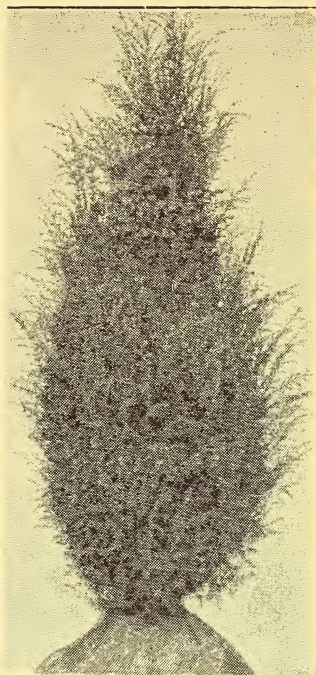

COLORADO BLUE SPRUCE

Tsuga Canadensis

A fine pyramidal tree with drooping branches, stands shearing well, good for hedges, specimens or any ornamental planting.

HEMLOCK SPRUCE

	Each	10	100
12 to 18 in.	\$1.00	\$ 9.50	\$ 85.00
18 to 24 in.	2.00	17.50	
2 to 3 ft.	3.00	20.00	

**IRISH JUNIPER****Juniperus hibernica**

A good upright grower, bluish green foliage summer and winter, needs shearing occasionally.

18 to 24 in.	\$1.50	\$10.00
2 to 3 ft.	2.00	15.00
3 to 4 ft.	3.50	30.00

Juniperus Pfitzeriana

Beautiful bluish green foliage on whips like branches that usually stand at an angle, rather spreading habit. Irregular shape, fine for group planting, very hardy.

2 to 3 ft.	\$6.00 each
-----------------	-------------

Juniperus stricta

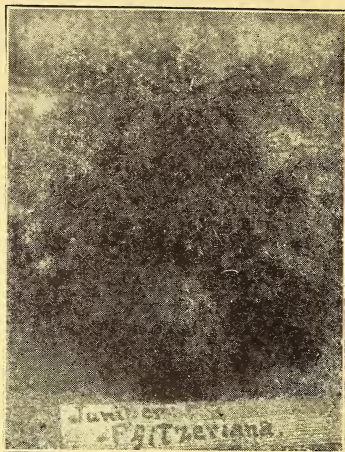

Dwarf erect branches, compact ball shaped. Distinct bluish color, very beautiful.

12 to 18 in.	\$6.00 each
-------------------	-------------

Juniperus virginiana

A native American tree, variable in form, mostly pyramid in shape. Apt to lose their lower branches. Stands shearing.

18 to 24 in.	\$1.50 each
2 to 3 ft.	2.00 each

**Pfitzers Juniper****The Junipers****Juniperus Sabina****SAVIN JUNIPER**

Spreading habit, deep green, valuable for rock gardens, borders, etc. Make a nice contrast with other low growing evergreens.

18 to 24 in.	\$2.50 each
-------------------	-------------

IRISH JUNIPER**PFITZERS JUNIPER****RED CEDAR**

Foundation Planting of Retinispora and Pyramid Arborvitae

The Retinosporas

Retinospora plumosa aurea

Erect pyramidal shaped tree with feathery plume-like foliage of golden color.

10 to 15 in. \$1.00 each

Retinospora squarrosa

Foliage soft light bluish or silvery color, bushy and compact. Plant in a sheltered place.

18 to 24 in. \$2.00 each

2 to 3 ft. 2.50 each

Retinospora pisifera aurea

Drooping symmetrical tree with flattened foliage distinctly golden in summer.

2 to 3 ft. \$2.50 each

Retinospora obtusa nana

Very dwarf and compact dense heavy foliage, slow growing.

10 to 15 in. \$2.50 each

Mugho Pine in Foundation Planting

Pines Etc.

Pinus Mughus

MUGHO PINE

Dwarf mountain pine, grows wider than tall, comparatively short stiff needles. Globe shaped.

18 to 24 in. spread \$3.00 each

Pinus sylvestris

SCOTCH PINE

Quick strong grower, good for windbreaks or protective screens.

2 to 3 ft. \$1.50 each

Mahonia aquifolia

OREGON GRAPE

Glossy, prickly holly-like foliage, green in summer changing to bronze in winter. Profusion of blue berries in late summer, very beautiful.

12 to 18 in. \$1.00 each

18 to 24 in. 1.75 each

Arborvitae Used in Foundation Planting

Arborvitae

Thuya Ellwyangeria

TOM THUMB ARBORVITAE

Low dense growing, slender feathery branches, deep green in summer, reddish tinge in winter.

10 to 15 in. 75c each

Thuya globosa

GLOBE HEADED

Dense low globe head, good shade of green.

Mail size 50c each

Thuya compacta

COMPACT ARBORVITAE

Dwarf dense little trees, frequently wider than high, very desirable in beds or low hedges.

12 to 18 in. \$1.50 each

18 to 24 in. 2.00 each

Thuya Lutea

GEO. PEABODY ARBORVITAE

Very distinct golden, color retained throughout the summer, one of the best of this color.

Mail size 75c each

Pyramid Arborvitae in Corner Planting

Thuya Orientalis

CHINESE ARBORVITAE

Symmetrical habit, pleasing light green foliage, not hardy as far north as some varieties.

Mail size50c each

Thuya Hoveyii

HOVEY'S GOLDEN

Small compact hardy tree. Light green foliage with golden tinge to new growth of foliage.

10 to 15 in. \$1.00 each

Thuya pyramidalis

PYRAMID ARBORVITAE

Erect narrow column of good green color.

2 to 3 feet \$1.75 each

Thuya Orientalis aurea nana

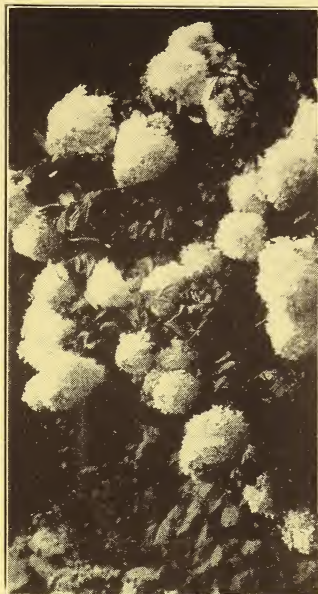

BERCKMAN'S GOLDEN

Conical dense and compact, yellowish green in summer, dark green in winter.

12 to 18 inch \$2.50 each

Hydrangea P. G.

Hills of Snow

The Hydrangeas

Both varieties we offer are hardy, and with proper care will bloom the first season.

Hydrangea paniculata grandiflora

We recommend this as the best flowering shrub, good any way you plant it, singly, in groups or as a hedge. Very large showy flowers. We have had blooms twelve or more inches in length by ten inches in diameter. White at first, later shaded with red and green. Blooms can be kept dry inside all winter. Blooms from August until frost.

	Each	10	100
1 to 2 ft.	\$.35	\$ 3.00	\$ 25.00
2 to 3 ft.50	4.00	35.00

Hydrangea arborescens grandiflora

"HILLS OF SNOW"

"American Everblooming," a continual bloomer, from June until frost. Large flowers of flatter shape than above. Pure white turning green later in season.

	Each	10	100
1 to 2 ft.	\$.50	\$ 4.00	\$ 35.00
2 to 3 ft.75	6.00	50.00

Common Snowball

The Viburnums

Viburnum opulus

HIGH BUSH CRANBERRY

A much planted shrub six to ten feet high. One of the best red berried plants for fall or early winter effects. Single flat white flowers. Valuable as a background for smaller shrubs.

1 to 2 ft.40c each, \$3.00 per ten
2 to 3 ft.60c each, \$5.00 per ten

Viburnum opulus nana

An interesting and desirable dwarf form.

	Each	10
12 to 15 in., transplants	\$.75	\$ 6.50

Viburnum Plicatum

JAPAN SNOWBALL

One of the choicest hardy shrubs, with healthy dark foliage. The perfect balls of pure white flowers are borne in great profusion in May.

	Each	10
12 to 18 in.	\$.50	\$ 4.00

Viburnum opulus sterilis

COMMON SNOWBALL

The well known and largely planted Snowball shrub. Blooms early in June, flowers large, round and white.

1 to 2 ft. 50c each

Weigelia Rosea

The Weigelias

Very desirable shrubs either for specimens or in groups. A beautiful profusion of flowers in May and June. A few varieties blooming to some extent throughout the summer.

Weigelia Rosea

PINK AND WHITE

The old-fashioned much planted Weigelia, having flowers varying from white to deep pink, in May and June.

	Each	10	100
12 to 18 in.	\$.35	\$ 2.50	\$ 20.00
18 to 24 in.40	3.00	25.00
2 to 3 ft.60	5.00	

Weigelia Eva Rathke

CRIMSON

The best dark red variety. Rather dwarf habit, continues blooming throughout the summer though not so profusely as in June.

	Each	10
18 to 24 in.	\$.60	\$ 5.00
2 to 3 ft.75	6.50

DEUTZIA, PRIDE OF ROCHESTER

The Deutzias

The dwarf varieties of this group are useful for filling in the foreground of shrubbery plantings, while the taller sorts are recommended for background. Prefer well drained soils.

Deutzia Gracilis

DWARF DEUTZIA

A dwarf sort bearing single pure white flowers in profusion. May.

	Each	10
12 to 18 in.	\$.50	\$ 4.00
18 to 24 in.60	5.00

Deutzia Crenata

Double white flowers. Tall.

	Each	10
12 to 18 in.	\$.25	\$ 2.00
18 to 24 in.40	3.00
2 to 3 ft.60	5.00

Deutzia, Pride of Rochester

Double white, under side of petal pink. Tall growing.

	Each	10
12 to 18 in.	\$.25	\$ 2.00
18 to 24 in.40	3.00
2 to 3 ft.60	5.00

Spirea Van Houtte

The Spireas

A valuable and indispensable group of shrubs, having a great variation as to size, color and time of blooming, of the different varieties. They do best in moist fertile soils, and like sunshine.

Spirea van Houtte

VAN HOUTTE or BRIDAL WREATH

One of the finest. Forms a white fountain of flowers in May. Used singly, in groups and foundation plantings. Foliage attractive.

	Each	10	100
12 to 18 in.	\$.25	\$ 2.00	\$ 15.00
18 to 24 in.35	3.00	20.00
2 to 3 ft.50	4.00	30.00

Spirea Prunifolia

OLD FASHIONED BRIDAL WREATH

An old favorite. Double white flowers all along stems in May.

	Each	10
12 to 18 in.	\$.35	\$ 3.00
18 to 24 in.50	4.00

Spirea billardi

Strong upright grower. Rose pink flowers in spikes, from early July to September.

	Each	10	100
2 to 3 ft.	\$.50	\$ 4.00	\$ 30.00

Spirea Anthony Waterer

Spirea Anthony Waterer

Dwarf spreading habit. Red flowers in profusion. One of the best for foregrounds in front of large shrubs.

	Each	10	100
6 to 12 in.	\$.50	\$ 4.00	\$ 35.00
12 to 15 in.60	5.00	45.00

Spirea billardi alba

Same as Spirea billardi except white flowers.

	Each	10	100
18 to 24 in.	\$.35	\$ 3.00	\$ 25.00
2 to 3 ft.50	4.00	30.00

Spirea Opulifolia

NINEBARK

Beautiful green foliage. Strong grower with white flowers in June. Old flower heads turn red.

	Each	10	100
2 to 3 ft.	\$.50	\$ 4.00	\$ 30.00
3 to 4 ft.75	6.00	50.00

Spirea opulifolia aurea

GOLDEN SPIREA

Similar to the above, young foliage, bright yellow, changing to golden brown in fall.

	Each	10	100
2 to 3 ft.	\$.60	\$ 5.00	\$ 40.00

Spirea tomentosa

HARDHACK

Valuable late bloomer (July to September). Flowers deep rose to purple in feathery panicles.

	Each	10
1 to 2 ft.	\$.35	\$ 3.00

Spirea Reevesiana

Large double white flowers in May and June. Medium height. Striking foliage.

	Each	10
1 to 2 ft.	\$.35	\$ 3.00

Golden Bell

The Forsythias

No garden or lawn is complete without a few specimens of those grand old shrubs. The first to bloom in the spring. The branches covered with yellow bell-shaped flowers before the leaves appear, the glossy deep green foliage following the flowers is very ornamental. Valuable for planting at top of retaining wall, as some branches are erect and others hang down. The flowers on all varieties are similar.

Forsythia fortuna

FORTUNE'S GOLDEN BELL

Most erect variety.

Forsythia intermedia

HYBRID GOLDEN BELL

Slender erect or arching branches. Vigorous grower.

Forsythia viridissima

DARK GREEN GOLDEN BELL

Dark green foliage.

	Each	10	100
Any above variety	\$.35	\$ 3.00	\$ 25.00

White Flowering Dogwood Blossoms

The Dogwoods

Cornus florida

WHITE DOGWOOD

Tree form with large white flowers, early in spring. Red berries in fall, beautiful ornamental tree.

2 to 3 ft.each, 50c; per ten, \$4.00

Cornus florida rubra

RED DOGWOOD

As above except has conspicuous red flowers.

2 to 3 ft.each, \$1.25; per ten, \$10.00

Cornus sanguinea

RED-BARK DOGWOOD

Red bark, white flowers, tall shrub.

	Each	10	100
2 to 3 ft.	\$.50	\$ 4.00	\$ 30.00

Cornus stolonifera

RED OSIER DOGWOOD

Dark red bark, spreading habit with white flowers.

2 to 3 ft.each, 50c; per ten, \$4.00

Cornus stolonifera lutea

YELLOW BARK DOGWOOD

Very valuable for its enlivening winter effect, its bright yellow bark being very conspicuous. Has white flowers followed by white berries.

Each, 60c; per ten, \$5.00.

Cornus siberica

SIBERIAN DOGWOOD

One of the best red barks for winter effects.

2 to 3 ft.each, 60c; per hundred, \$5.00

Japan Barberry Hedge

Hedge Plants

Berberis thunbergii

JAPAN BARBERRY

Without doubt the best plant for a low hedge. May be either sheared or let grow naturally. Small yellow flowers, followed by red berries that remain during the winter. Foliage in autumn beautifully colored. Also frequently planted snugly or in groups.

	Each	10	100
6 to 12 in., transplanted	\$.15	\$ 1.00	\$ 8.00
12 to 18 in., transplanted30	2.50	20.00
18 to 24 in., transplanted40	3.50	30.00

Box Barberry

DWARF BARBERRY

A form of Japan Barberry, more dwarf and finer leaves. Valuable for edging along walks or in formal gardens.

8 to 15 in., transplanted50c, each; per 100, \$4.00

Ligustrum Ovalifolium

CALIFORNIA PRIVET

The most popular and widely used plant for hedges, both formal or informal where a higher hedge is wanted than the Barberry. Does well in shade.

	100	1,000
12 to 18 in.	\$ 5.00	\$ 40.00
18 to 24 in.	6.00	50.00

Ligustrum Amurense

AMOUR RIVER PRIVET

More hardy than California, leaves not so glossy.

	100	1,000
12 to 18 in.	\$ 8.00	\$ 70.00
18 to 24 in.	10.00	90.00

Buddleia—Butterfly Bush

Flowering Shrubs

Golden Elder

Foliage of beautiful golden color retained throughout the entire season. Gives an enlivening effect when used with other shrubs or separately.

	Each	10
1 to 2 ft.	\$.35	\$ 3.00
2 to 3 ft.50	4.00

Calycanthus florida

CAROLINA ALLSPICE

Grows to about six feet. Strong growing, well known for its spicely scented chocolate red flowers, known in many localities as "shrub."

	Each	10
1 to 2 ft.	\$.35	\$ 3.00
2 to 3 ft.50	4.00

Buddleia magnifica

BUTTERFLY BUSH

Butterfly Bush or Summer Lilac. Begins blooming early in summer and continues until frost. Very fragrant. Semi-herbaceous. Tops sometimes die back to ground during a cold winter. Roots are perfectly hardy, but a mulch of manure or leaves in fall will give them a better start in the spring.

	Each	10
Strong plants	\$.35	\$ 3.00

Mallow Marvels

Hibiscus**MALLOW MARVELS**

A valuable perennial, three to five feet high, beautiful showy flowers during late July and August. Does well in either wet or dry soil.

	Each	10	100
Good strong roots, white or pink	\$.25	\$ 2.00	\$ 15.00
Good strong roots, red30	2.50	20.00

Philadelphus coronarius**MOCK ORANGE**

Large compact shrub. Fragrant showy white flowers, similar to orange blossoms. Blooms in June, very popular. Sometimes called Syringa.

	Each	10	100
1 to 2 ft., transplanted	\$.25	\$ 2.00	\$ 10.00
2 to 3 ft., transplanted35	3.00	25.00

Syringa vulgaris**PURPLE LILAC**

The old-fashioned tall shrub. Too well known to need description.

	Each	10
2 to 3 ft.	\$.30	\$ 2.50
3 to 4 ft.50	4.00

Catalpa Bungeii

Ornamental Trees

Catalpa Bungei

UMBRELLA CATALPA

The dwarf variety grafted on stems about six feet high makes a natural umbrella shaped head with glossy heart shaped leaves.

5 to 6 ft.each, \$2.00; per 10, \$17.50

Morus alba

TEA'S WEEPING MULBERRY

The most graceful weeping tree, long slender, willowy branches, drooping to the ground.

Each \$2.50

Riversii

RIVER'S PURPLE BEECH

Medium sized tree with purple foliage changing to red and purplish green in autumn. A fine tree for the lawn.

3 to 4 ft.\$3.50 each 4 to 6 ft.\$4.00 each

Ioosis Malus

BECHTEL'S FLOWERING CRAB

The only sweet scented double flowering crab.

2 to 3 ft.\$1.00 each 3 to 4 ft.\$1.25 each

American Linden

Salix Babylonica **BABYLONIAN WEEPING WILLOW**

The well known weeping willow, valuable as a specimen.

6 feet, each 75c

Acer dasycarpum **SILVER MAPLE**

Hardy rapid growing and produces quick shade. Under side of leaves a silvery color.

8 to 10 ft., $\frac{1}{2}$ to 2 in. cal., each \$2.00

Ulmus americana **WHITE ELM**

Much used as a park and street tree. Tall, wide spreading and graceful.

6 to 8 ft. each, 75c; per 10, \$6.50

Tilia americana **AMERICAN LINDEN**

A stately symmetrical tree. Tall growing.

3 to 4 ft. 50c each

Platinus orientalis **EUROPEAN SYCAMORE**

One of the quickest growing street trees, lofty and wide spreading with grayish green bark and patches of white.

3 to 4 ft., whips only 25c each

Quercus rubra **RED OAK**

A large tree of quick growth.

3 to 4 ft. 75c each

Butternut

Black Walnut

Nut Trees

Juglans cinerea

Nuts of longer shape than Black Walnut and milder flavor.

BUTTERNUT

	Each	10	100
1 to 2 ft.	\$.30	\$ 2.00	\$ 10.00
2 to 3 ft.50	4.00	30.00

Juglans nigra

Valuable for the fine flavored nuts and timber. Thrive best in a deep rich moist soil.

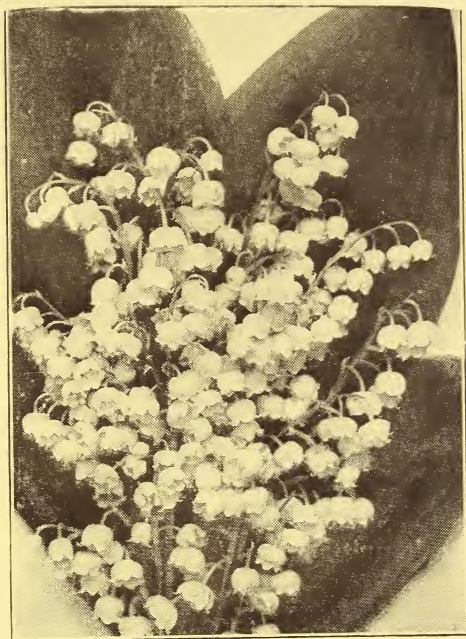

BLACK WALNUT

	Each	10	100
2 to 3 ft.	\$.25	\$ 1.50	\$ 10.00
